

The Dave Brewer Memorial Challenge

Expo Narrow Gauge – 31st October 2015

For the 2015 Challenge we have chosen that useful railway structure 'the bridge'. It must, of course, be a narrow gauge bridge and the entrant should indicate this in some way, by the type of track on or under the bridge, for example.

1. The model bridge may use any scale and gauge combination, as long as it represents a narrow (ie less than 4 ft 8.5 ins) gauge, with a maximum gauge of 45 mm.
2. The model can be any type of over or under-bridge and should be complete with abutments and track.
3. The model may be wholly scratch-built, or use parts from kits or commercial models, but no unaltered kits or commercial models can be entered.
4. To ensure we can fit entries into the available space please use these maximum sizes:
 - a. 50 cm by 25 cm by 35 cm high for gauges 32 mm and above, to a maximum of 45 mm.
 - b. 40 cm by 20 cm by 25 cm high for gauges 14 mm and above, but less than 32 mm.
 - c. 30 cm by 15 cm by 20 cm high for gauges 9 mm and above, but less than 14 mm.
 - d. 20 cm by 10 cm by 15 cm high for all gauges below 9 mm.
5. The model should not have been entered in any previous competition.
6. To be eligible, completed entry forms must be received by 31st August 2015.
7. To be eligible, models must be presented for judging at Expo Narrow Gauge 2015.
8. A prize, including one year's subscription to Narrow Gauge World, will be awarded to the winner.
9. The judges' decision is final.

Entry forms can be downloaded from the website at www.expong.org.

For those without Internet access, forms can be obtained from:

Challenge 2015, 13 Rawlins Close, South Croydon CR2 8JS (England). Please enclose a stamped, addressed envelope.

Completed forms can be posted to the above address, or emailed to challenge@expong.org with the subject 'Challenge 2015'.

Expo Narrow Gauge 2015 will take place on Saturday, 31st October and will be held in the White Oak Leisure Centre, Hilda May Avenue, Swanley, Kent.
